Velina posted:

This is Pastor Velina I am not sure if this is the Pastor Nate Smith that use to be with the ministry of the Lord's House on the eastside of Detroit. The picture is sort of blurry but I was wondering for sometime now how he was doing as I had not seem him for a while. If this is him I would like to say thank you for all that you shared with the men of the Lords House all your wisdom of the word of God and your dedication of cooking for the men when you were there at the house. I know heaven is your home Pastor Smith and I know you made your peace with God because you love you some God. He was the center of your conversation and arguments when you would express your thoughts. Miss you sir and continue to R.I.H. Appreciate all you offered.
