Corey and I worked together at RJ and he was very unique man . We enjoyed many laughs with Corey and worked very hard to get a rise out of him . " his favorite word "buffoonery"described our many antics in the department. Maybe the Lord grant you his wife and his beloved son the strength, power and comfort in the days to come . I like others Googled Corey as we were in the military together. I couldn't believe my eyes when I saw that he had passed away. I am very sorry for your loss. Corey loved house music and enjoyed having a blast. Our Army days were filled with a lot of growth and laughter. I have too many memories to share on this sight but please know you all are in my prayers. I just can't believe it!!!!

I worked with Corey...he was SUCH a nice guy...very quiet and private, but what a nice person. Had such a sweet tooth, always ate candy and chips. I'll miss you Mr. Moore. You were taken too soon...but Heaven got a great angel. RIP.Marian
