I MISS YOU SO MUCH DAD... Father's day was yesterday and I was lost without you 😞 NOTHING about that day seemed right... Happy Father's Day I Love You ❤️

Today I was thinking about you & then I googled your name...this came up..too me it was empty..it didn't show even half of your legacy Granddad. I grieve you everyday because you were literally the strongest man I know, you unselfishly gave & taught us so much..even at times when we didn't deserve it. My heart is still heavy and I still cry but i try to tell myself that you are not suffering anymore...i try to find comfort in knowing that grandma is with you, so kiss her for me.I Love You,Theresa
