To: The Family of Kevin Raines, Sr. Words can not express how heart broken we are with the loss of such a kind man. I myself will miss his smile, kindness, the way he would make me laugh, our talks but most of all I will truly miss him. I have to accept the fact that God wanted him to be with him at least that is some comfort. My daughter said she is going to miss how nice he was to her and how he always found a way to make you laugh. I'm very thankful to have known such a wonderful person in Kevin, that is something rare now days. But I thank God for sending him into our lives and I will always think of him. I just wanted the family to know what they already know he was awesome and he loved his family and his church family. And we will all miss him. Love Stephanie & LaShae Scott Rose of Sharon Church Family
