Dear Golden Family, Please accept our sincere condolences over the death of your loved one. When we lose someone it is only natural to mourn. One thing that has helped bring myself and others a measure of relief and comfort is knowing that painful experiences like this will soon end. In fact, one scripture reveals a promise from the Creator, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore." It was sad to hear that Harry had passed, we never saw our plan to meet in Atlanta come to pass. We will have to meet in that Celestial Place Above. Golden Family, please accept my deepest and heartfelt Condolences. May you all find God's Comfort and Peace during this time. As you know we really don't lose our Love Ones, they just transition in a Special Place in our Heart and Mind. Know that you are not alone for "He was despised and rejected of men; a man of sorrows and acquainted with Grief" JOHN CAMPBELL RRHS 1978

My heart was saddened to hear of the Passing of Harry, although I had not talked to Harry in many years, I recall Harry's bright smile from high school. I remember when he moved to River Rouge from the south and was welcomed with open arms. My family heart and prayers will be with you as your family prepares to lay Harry to rest and return him to the father.... Larry D. Johnson: Class of 1978
