**Julius Jefferson** lit a candle in honor of CURTIS.

My eyes filled up with tears as I heard the news.It never occurred to me how much I could lose.I find myself wishing that it wasn't real.Every time I think about it, pain is all I can feel.Tears fall from my eyes; I can barely see,But my heart tells me that he'll always be with me.I'm glad he feels no pain now; he lives in a perfect land.I can still feel the soft touch on my shoulder of his loving hand.I lie in bed and cry at night,And I don't feel any better in the morning light.I will love and miss him forever,Until the day we are again together.Together in that perfect place above,Filled with caring, sharing, and love,But until that day comes--I will wipe my tears awayAnd hope to see him again someday.
