Terri, I will miss the laughter, your beautiful smile and that spicy personality you could display. I think about all the wonderful, loving moments we all shared over the years. I look back with such fond memories. I loved the way we would all get together, laughing and talking as if time had stood still and our lives hadn't moved forward. I'll miss seeing your beautiful face and hearing your sweet voice. I won't allow myself to miss you, because I will carry you in my heart always. That strong awesome being you occupied could no longer hold you here. Even though we are heart broken we want you to be free and at peace. I will love you through eternity my sweet Niece. RIH, Auntie Debra

Terri touched the lives of so many. She had a kind, giving and loving heart. I will always cherish my memories of the times I spent with her, and especially that unique laugh of hers that always caused me to laugh too. I will forever hold her in my heart, knowing that there will come a time when we will be together, once again. Until then, my angel, Rest-In-Paradise. Love, Aunt Pat ❤️

So sorry for your loss. Words cannot console when the last enemy death strikes down those whom we love. May the Father of tender mercies and the God of all comfort, comfort you in this trying time.
