Hey baby girl, it's ur aunt I love. I hate you guys ever moved to Detroit. I have no closure from your death. I hate the city of Detroit, sometimes I even hate people. Because a child died and you guys just swept it under the rug. She was a healthy child. I understand death and God makes no mistakes. How do a healthy child just pass away in her sleep. Therapy is not helping and I'm going to eventually run myself crazy.
