Chamere Sanders posted:

Hearing of your transition from earth to heaven was and still is very hard...and it will be difficult. Our personal relationship that we had was one that I will continue to and forever hold on to. You always checked on me, through storms, birth of my children, holidays and regular days of the year. I am going to miss picking up that phone hearing your voice and you asking about your babies over here. You've always told me you love me and I always did the same, so I am somewhat comforted by that. But I will miss you Auntie Gail. I will keep your memories alive....until we see each other again. (Please continue to watch over us all from the heavens).To my family: Big Don, Lil Don, Uncle Charles, Uncle Jessie and our entire family, my heart aches for you. I am praying for the strength of each and every one of you. This is a difficult time and I know that God will comfort us and help us heal. I love you all so very much.
