Wendy C Grimm posted:

Devyn will always be a shooting star. Remembered by all. Those who knew him, fell in love with him and those who didn't fell in love with him. His eyes and smile pulled you in and his heart kept you. His actions inspire all of us to be better, to help all and move forward even when it hurts. Devyn will shine in our hearts and in heaven.

I only knew him through his mother, but I knew he kept a bright outlook. He looked forward to being a positive person in his future that we all would have been proud of.
