Hi Mom, I have been thinking about you a lot. I wish you and Mrs. Williams was still here 😭. I don't have anyone to give me advice, listen to me when I am having a bad day. I miss hearing you say " you better go in the closet." When I am having a problem. You always knew when something was wrong. I miss talking to you everyday. I miss my best friend. I definitely miss our family vacations. I have sooo much to tell you. Well rest peacefully and I love you beyond words and I miss you beyond this world. Sending you lots of hugs and kisses 😊.

Hi mom. It will be four years in December that you have been gone. Four years of not hearing your voice, not laughing with you, not taking trips, not hanging out, not sitting on the porch etc. It is so hard and I miss you so much. I wish heaven had a phone, I'd call you everyday. I love you ❤️ and we miss you 😭. Rest peacefully Ms. Diva. Constantly sending love to heaven for my angel 🙏. Love always.
