Going to miss you Angella - you were tough as nails when it came to getting those MDS done (RESPECT) and then would turn around, crack the funniest joke and we'd be rollin'. You had one of the most infectious laughs/smiles I'd ever seen. I couldn't help but smile whenever you did. RIP

For the family, Although I've known Angella about 3 years, I only had the pleasure of working directly with her for one summer, at which time she proved to be a very kind and fair person. May the God of tender mercies and the God of all comfort continue to carry you through this time of tribulation.
