**Corinne Lojek** posted:

Velvet can be described as a ray of Sunlight!! When ever I would see her she was always full of smiles and energy. Velvet always made me feel that she was happy to see me and that felt so good. We never shared any deep secrets, but still she educated me in many ways. Her passing is not only unexpected and extremely sad, a ray of light has now left my life. Velvet may have only been in my life on occasion but her impact was enormous and uplifting. Thank You Velvet!! You will be greatly missed, but never forgotten. Rest in Peace. Sincerely,Corinne
