Thank you for being there for me!!! You were always my listening ear and you always gave me the motherly advice during a time when I truly needed love, this just can't be real I honestly though you were invincible I watch you survived so much overcome so much help so many people just be there light in the time of darkness and a lot of time mine I really don't know how to feel right now rather to be happy that you closer to your king and family in heaven and out of this hell that we're all facing or hurt, pain, regret, confusion and just down right heart broken cause your so far away from me now with no way to call you hug you or just peace of mind knowing that your ok aunt. My aunt a.k.a. godmother was a ray of sunshine to brighten others journey in this dismissal place. She was a blessing that crossed my path and made a lasting impression upon my life. R.I.P. my Aunt may the Heavenly Father nestle close to him. Your journey on earth has ended but your beacon remains in all the hearts you have touched. Love You forever your one sweet god daughter Shavonne Kimberly Lewis/Maddison Michelle Tilles
