Sending our love, hugs and condolences to Jackie, Bojack and Hondi. Arthur will truly be missed, however, he's left us with many wonderful memories of joyful times spent together and much laughter. We feel terrible that we cannot be there physically to support you at this time, but we are there in thoughts and prayers. Love you, Ronnie and Pam

Certain people you never expect to leave because they're planted so deep in your heart. When they do leave—you feel that emptiness from deep inside where you held them so close. All I hear is your laugh...I'm heartbroken, never thought you'd go especially without getting to say goodbye. Rest In Peace ☐. I'll forever hold on to the memories. It's the 9th inning, final bat ...take it home 🍷☐🍷☐🍷☐.

I idolized him for going into and becoming a Marine, for teaching me how to draw, loving sports, cool personality and dresser, taste in music, especially the Motown classics and appreciation for good soul food. I tried to copy it all. Missing my big brother.
