My empathy and condolences to the family!! I'll never forget all the good times Troy and I shared. Family reunions, hanging out, singing temptation songs, etc., Cousin Troy was special with a infectious spirit that left an impression on all he came in contact with. You hold a special place in my heart Cuz! I'm welling up with emotion as I type this. I'll miss you my cousin and wish we would have spent more time together these last few years. Love, JR
