I loved Heaven like she was my own child! Heaven was a little baby when she first came to the center, her and my son were best friends. I love her and I'm going to miss her so much!

Minister Rosemerry Allen lit a candle in honor of HEAVEN.

This little angel is now her parent's Guardian Angel, watching over them until they all meet again. Heaven is playing in heaven's eternal playground of love. May God, the God of all comfort, comfort her family and bring them Heaven's peace!
