Words cannot express how sad I am. As children and cousins we spent almost every summer together. From Michigan and Louisiana to New York City. The most precious and loving memories were when you were a freshman in high school and I was a senior. We went everywhere together when u spent the year with your grandmother and my aunt. You will forever be in my heart and my prayers. The last time we were together is when you visited me in California. I know you are at peace now, with all of our families who have gone before you. Rest In Peace my beloved cousin. Jimmye Ruth Lawson Collons, Fester, Karla, and Ferric. Rancho Murieta California
