Uncle Big Red, your home going services are past but the fond and loving memories I have of you will always last. In my heart I keep the memory you, sometimes I laugh so hard and yes sometimes I am blue. I wish you were here so that I would come home and we can go out to eat or to the movies. Thank you for caring for me as an Uncle should.

Hey Uncle Big Red, It's me, CECE. I'm sitting watching the movies you use to watch on the Netflix account I got you. Surprisingly, all of the movies are funny : just like you. You always made me laugh and smile, You were always there when I needed you as a child. Your in heaven now with my papa and your brother, my uncle Slick . Can you find them and tell them I miss them, just as much as I'm missing you right now. Ill cherish our last conversation for the rest of my life. We never had a dull moment even while you were in the hospital. You are forever my Big Red ! I love you for life ❤️ - CECE

To The Family of the late Rodney L. Hughes, Sr. We will miss your Professional Services calling to check on us and making sure our minds were in the right place. Your laughter and comedian jokes will truly be missed as well. Although the last time we talked, I let you know that I have your back no matter what was going on. As your personal concierge movie planner, I had the pleasure of letting you know what was playing at the movies every Saturdays; until Covid 19 appeared! We must say that for all of the participants that would show up and meet you there; will truly missed you! Rest in peace my brother! Love Allison (Allie) and George (Buck) Frazier
