To Janice,I remember when you brought Douglass home on Bassett. I remember the smile on your and Herman face when you said "This is our son, Douglass. I remember him as a happy baby and there was so much love in your house. Wow, the years have gone by and that little boy grew up to be a very handsome young man. He always had the biggest smile and I see he never lost it. I pray for your strength and peace during this time. To the whole family, I will be praying that God's word gives you comfort. Just know that we will see him again when we all get to glory.
