I remember Marlin as a young man who always loved music and Pictures. I watched him grow from a child to a man, his smile would light up the room. There will be a blank space on earth without you, there is know more pain for you. The sadness in myheart will always be here for you. Rest in god hands my son we will meet again .Love forever. First time I met Marlin was at St. Martin DePorres High School on Schafer on the westside of Detroit. Marlin love to compete and play basketball. We had a Potential State Championship team Marlin's freshmen year. There would be growing pains over the Four year Journey during Marlin's high years. Marlin goal was accomplished in 1992 when his class capture the state championship. Marlin achieved two goals, graduating and leaving as a state champion in the game of basketball. Very proud of Marlin being a part of those life time memories."Coach Owens Sr.
