People come into your life for a reason, a season, or a lifetime. Although our seasons moved in different trajectories, my reason that I appreciate Ava is because she had a generous heart, as demonstrated by caring for and loving my mother (her mother-in-law), where I was unable. May you find peace in your grief knowing that she shared in her lifetime a charitable and compassionate spirit that many can learn from. Let her legacy live within you forever. Heartfelt condolences, Your Sister and Aunt, Angela
