My Uncle Roger was the epitome of entrepreneurship! If he had a nickle he could definitely turn it "into 15 cent". His accomplishments enabled him to purchase and refurbish many properties, to the point that he was affectionately known as the "Mayor of Mendota". He also owned and operated restaurants and a successful snow removal company..a born businessman, a generous friend and a loving and supportive Father and Uncle, the patriarch of the Claybrooks family..RIH..
