Deepest condolences and sincere sympathy to the family of Mr. William Wise. William kept the literature room and business office of The Wayne County Inter-Group Office open and functioning for over 10 years with the aide of only a few volunteers. His services will be missed by everyone who did business with the office. with sincere sympathy on your loss,

My Deepest Condolences goes out to the Wise family! William You will forever be in my heart and memories. I have always called you my friend and we have had a lot of long talks, laughs, conversations and confided in one another about things of importance. We were comfortable telling each other, "I Love You!" and they were not just words. I will miss seeing you my friend but I know I will see you again. You had a pure heart and was always nice to me. I appreciate and cherished our friendship. I thank God for giving me the pleasure to meet you and to become your friend. "Hugs and Kisses to You Friend!"
