Rest in heaven. She was such a sweet spirit, and she was very dedicated. She loved talking about doing nails. Praying for the family. I send my condolences and peace to all the family and friends.

The title of this poem is called Blue Bird, dedicated to and in memory of, Tori DickersonThe Blue Bird is rare, she makes you smile unexpectedly, she shows up out of nowhere to brighten your day to say I'm now here. This bird only eats the best delicatessen as she knows her legacy. She is always full with great ideas on where to go next, and she takes her smile with her each time, ready to stay for awhile, she makes her nest and says I'm now here so I'm going nowhere.Many Blessings to you little Blue Bird Tori, you will be remembered ❤️Love Always, Kenise
