From us working together at Flint NIPP to you making my groomsmen cakes for my wedding, being there when I had my 2 daughter's and us traveling together! Who would have known that our last conversation after your chemo treatment, would have been our last! I NEVER would have thought that you would not be here! This hurt me so very bad but I know you fought until the very end! I prayed and prayed and now I have our 30 + yrs worth of memories. This one hurts but Ken, you can rest now! I will always love and forever miss you and will see you again one day!
