My Uncles are/were such good men. They made certain that family and home was taken care of. They love us in ways that may not be spoken but their love is truly felt. It's the man in them that watch and protect us. This is how I felt about my Uncle William. I appreciated the man, husband, brother, friend, and importantly to me the uncle you were. You are with Momma now. You will truly be missed. My condolences and prayers are with my family and his friends. Love Thomasina
