Her mother (Vera Lewis), sister (Michelle Lewis), and her brother (Charles Darrell Shaw) preceded her in death. The family goes by the nickname "Shaw's & Shorty's". She had 11 favorite food and everybody knew what it was!

She later finished her education and earned her certification in working at Motech Vocational School. Sharon worked at Chrysler Seating Company from and later moved to the retail store. Sharon was a working woman who knew how to handle and get her money to do whatever needed to be done and make ends meet. Sharon was a loving, wonderful person who was dedicated to helping her family and friends. As an aunt was proud.

Sharon enjoyed spending quality time with her grandkids and great-grandchildren. She loved to watch her favorite people and Jerry Springer, go to shopping with her children, having, unfortunately, being around family and friends with some good music and plenty of laughter. There was never a dull moment where you didn't enjoy yourself without "Shorty" being around. She was the life of the party at every family event.

### Memories of Sharon "Shorty" Shaw

You see My Best Friend,  
How friends we are, how friends we will be, for always & forever, you and me. I longer than a phone call, deeper than the sea, off this balcony to us, you and me. Put it in a bottle, never let it dry, keep it in your heart, you and me. I hope you hear this poem, remember it for me, look after a sick one, SOU AND ME!

Sharon,  
Your memories will live forever in my heart. I love you.  
Love, Joseph

To My Grandmother,  
How more my girl in person. I love you always and forever and I miss you so much. Love, her, brother forever you and me and you with me night and day, See you later, Ma.  
Love your grandson, Mikay

Sharon,  
An angel lived among us, I got from God above. She shined with every happiness and shared with us her love. She devoted every moment smiling hard in hard laughter facing the world all in order. She loved her children, really, up to one in different areas, needed love and her heart.  
Though, now, she's far away, She's gone to live with him, but she's here with us, making smiling down on every one of us and setting us on the O.K.  
Sincerely yours, Sharon

Dear Heavenly Father:  
Lord, God in heaven I pray today that you govern my family and be present to us in this month. Lord God send her children peace, love and serenity. We love her name and she will be missed.  
Sincerely, Bobbette

### Memories of Sharon "Shorty" Shaw

Mom,  
Hey mom, My best friend, what an interesting journey we experience in the decades. The words to describe our journey in admiration and love. Mom we must be the same together like a warm piece of fabric. I'm glad God joined us together, we complimented one another in this entity of life. I can truly say neither of us have "No Regrets". We always enjoyed, peaceful, and talked to one another about the most precious things through our life. One thing I will always remember you would say to "I'll be like a job here, you go round and round". So true, Thank you for your motherhood. I can't believe we're not gone watch Jerry Springer no more. All the love in the world & heaven. Your daughter, Nea-Nae

Daughter,  
I love and miss you. You will forever be in my heart. I will always cherish the memories we had. Love, Dad

Annex Shorty Darling,  
My biggest fear in life was to be away from you. I've been being an engineer since that came true. Day after day, life is not in heaven and misery. Why did fate have to take you away from me? Love is Love and Gang Gang Tubbuboo Forever Love.....

A Love Letter To My Big Sis Sharon,  
I miss you every day! I miss you're smiling around heaven smiling, laughing, and joking, her saying things that were spoken true. See how to mean and baby!!! You are truly missed, but you're home with our Holy Father in the high kingdom above, filling your heart with unconditional love. You will be missed forever. Always and forever R.J. With love

I Love You Sister,  
My sister,  
Our hearts have grown closer with the passing of time. Through the ups and downs of life, we've come to understand what it means to have each other. Sometimes we talk often...sometimes not. It doesn't seem to matter—the feelings of a lifetime remain with me because I know you are always there. I love you Sister. What a blessing it is to call you mine! Your brother, Lee

An angel lived among us, a gift from God above. She shined with an inner light, and shared with us her love. She cherished every moment, making hand in hand together, facing life with all its strife. She loved her children dearly, and from a different view, needed close within her heart.

Though, times she'd far away, she's here with us, today, smiling down on every one of us, and telling us she's OK.  
Sincerely yours, Sharon
