Memories are so precious when they are nothing but GOOD ones: I remember when I first came 2 Detroit Sept. 1968-- I remember I introduce him 2 his wife(Janet). We ddbl. dated that night. The rest is history. I moved out of Detroit a couple of years later to Mt. Clemens,Mich. He would come 2 visit me on his Bike alone with Les King, & Louis Donaldson. We shared a quite a joyful time every time we got 2 gether/ When I found out he Married Janet.. I was like wow. Then I found out we had gotten married the same month just a couple of days apart..The memories of he trips we made to the Carolinas will be listed as precious/// Another soldier gone to fight in the army of the LORD. Peace be still... Take your nap Cuz.. You deserve the rest///// Cousin Benjamin McMillan

My prayers and condolences are with the Humphrey family. I've known Ralph since 1959, when I joined Galilee Baptist Church. He later became a relative, by way of marriage. Praying blessings and peace on the family as you go through this difficult time. Be encouraged, loved ones have you on their mind and God has you in his care.Love,Cousin Viola
