Mr. Shannon supported me when at a critical time in my life. I was in the hospital and he came to support me and some kind words. I will never forget his kindness. It was an honor to have known such a great soul! May his love surround his family and friends as he is in Heaven as he did on Earth. Leroy Cain Jr. and Family

I've only been around the Shannon family for a short period of time, and it didn't take long to see how important and well loved Frank Shannon was by his family and all that knew him. My heart truly goes out to the family, you are all in my prayers.

I am at a true loss for words right now! Can't get pass the fact that you're gone Frankie!! You taught me so much about Policing, Family and Friendship!! You were the Big Brother that I always wanted!! You were always there! Through the thick and thin... You never complained... Ok, Maybe a little... Ok, actually a lot!! But it was all in love!! You only wanted the best for those that you loved!! You were always willing to lend a hand to make someone else's life better!! I am proud to call you Friend!! I will miss all of conversations about everything and nothing... I am happy that our last conversation ended with "I Love you"!!! Now... Until we meet again in That beautiful paradise in the sky called heaven... Rest well in the arms of Jesus Big Bro!! You've truly earned your wings... I love Frankie!! Job well done!!!!

Daddy, I miss you so much. My world has really crumbled. I can't believe that you have left me. I know that we shouldn't question God and what he does, but God why did you have to take my daddy so soon. Since the day you left us have been crying all day. I am so tired of crying. All I do when I am at home is looking out the window waiting for you to drive by as slow as you drive. Just know that my heart is truly broken. I wish that I can wake up from this terrible nightmare. I am your 1st born child and I truly love. Daddy, you are not suffering in more. I know you want be to stop crying, but I can't. You are another one of my angel's up in heaven right now. I will NEVER forget you. I am going to do my best and get myself together and stay crying, but it is extremely hard. You are/was my ROCK. I am Daddy's Little Girl. I love you daddy. You can finally get some sleep. Give everyone a kiss for me. Love always, your daughter Commika. Rest In Paradise.
