There is no greater love than that of family, to my family, DAISY was always so sweet in her own quiet way, I could always tell her spirit by looking at her Eyes, she could just tell the story by the impressions she made with her EYES. I will always love and miss her. To my family, in my absence just know I love you during this time and you are in my prayers. I'm praying for your peace and comfort!!! 🙏❤️🙏

Courtney, and Kayla, Your Granny meant so much too me. She shared a helping hand in mine, and my siblings care, and raising. Just know I love you both, and you can put your hands on me any time, day, or hour. May God continuously bless you both. Written with love, Always, Your Cousin, Sheila G Gray
