Eugene was like a fixture in my childhood years. He and my brother David Averitte were like peanut butter and jelly, they were always together. They were also Brothers-in-law. His jokes, huge smile and quick wit will be missed by many. I know he's kicking it with my brother and other loved ones. Love to my extended family, Jacqui

The love, and true bond, that you both shared, as brothers, I forever will cherish. I saw it, it know it, it was and is, precious to me. Those last moments that we experienced, I can say, are etched in my heart. May God Continue His Blessings On Both My Brothers. ❤️
