Karen Poindexter lit a candle in honor of JERREL.

Jerrel "DD", my beloved nephew...life on earth just will not be the same without you here to share it with us. But everytime I feel sorrow, it is your voice, I can still hear saying, "I got you Karen, I won't let you fall, I got you Auntie." So, I have YOU now, forever in my heart. I take comfort knowing that you are in the Saviors loving arms, and one day we will unite again. Take your rest, to suffer no longer. Love, love, love you my heartbeat.

I can't believe You're just gone... I can still smell your hair next to me... I still trip over your shoes in our bedroom... how am I just supposed to step across the floor where you laid waiting for help after your stroke... even the car rides are different, you're not here to say slow down... but Yes I'm being a big girl babes I know the kids are watching... and I know you wanted to show them the proper way to cope with things... so I'm cooking breakfast, wiping my tears, then slapping on a smile to give them their food... We Love You Way Beyond Forever my Dear Husband !!! You're Name and Legacy will Live On, I'll make sure of it!! Miller Ink 313
