I met Toni and her siblings yrs ago when my mom married one of her favorite uncles and I finally had cousins. She was definitely a leader and not a follower and made huge contributions to her community and she loved her city and they loved her back. She loved the game of baseball and played the game well and she had a smile that was just contagious..when u saw that smile u had to smile even if u didn't want to. Everyone who loved her will miss her so much but she will forever remain in their hearts and memories of her will be treasured. Rest well Toni and like the memorial t-shirts said..your work speaks for you 🍷🥹

Please accept my sincerely condolences on the passing of Toni. I will always remember her from the White House on Belle Isle. She was a honest, hard working person and whenever I saw her she always had a smile and a kind word for me. My thoughts are with your family. Former Recreation Department co-worker, Marcella Davis
