Hey Grandma, I miss you so much. I had to come on here and share a memory I'll never forget. When me, Destini, and Raven were at your house for the weekend and Sunday came, it was time to go home—but the car broke down so nobody could come get us. You had us walk all the way from your house to ours. We were like, "This lady is crazy, ain't no way!" 😊 But we all know you could walk your butt off. I guess that's where I get my speed walking from. I love you so much, Grandma, and I miss you dearly. May your soul continue to rest peacefully. ❤️

I have to many memories of my mom to just pick one. I will cherish each and every one of them. Mom you broke my heart with this one. We had so many plans. We were supposed to celebrate your 70th Birthday. My heart bleeds for you. When you decided to leave. You looked like you were at peace. So that's how I'm going to take it. You were at peace with a half grin on your face. Tears flowing as I'm writing this. You got your grandkids arguing over who was the favorite. As far as your kids go. We all know I was the favorite lol. I gotta laugh to keep from crying. If only for a minute. You will forever and always hold a place my heart. Love you always and forever. Your favorite Teresa(the baby)
