Ms. Shadanna is a wonderful part of our team at The Detroit Phoenix Center and although we did not have the opportunity to grow close, her light is so bright that she made a wonderful impact upon those that had the blessed opportunity to come across paths with her. She was truly an angel and was so powerful I offer my deepest condolences to her family and pray the lord is with you all at this time. I am truly sorry for the loss of one of the most wonderful people to grace this place with her presence.

Danna, no words can truly describe how much you mean to me. You are and will always be someone I could completely be myself with without judgment. You are my chosen family and the world does not feel the same without your presence. I love you from here to the moon. Thank you for being my friend and giving me the opportunity to have known you. I will forever cherish the memories we shared.

Danna, this one hurt so much. We were just getting close like I always wanted as a kid. You were my beautiful big cousin, who I looked up to. The last couple years after my grandma passed, we've grown a bond so solid, always complimenting each other lol, always talking about food, always cracking jokes, being silly together, to having each other's backs no matter what. My babies began to build a bond with you, and just thinking of all the flashbacks and memories makes me sad but I know God makes no mistakes. Thank you for always being so sweet and gentle to me, loving on me every time we saw one another, taking the time to get to know me for me. I love you soooooo much and I'll never forget you 😞
