Aunt Dorothy as I sit here thinking back when I was little spending the nights with you and having Darryl & Gregory calling me their little sister they also made sure I stayed out of trouble, waking up to the bomb breakfast and things we did was the best. Enjoyed the times we had sitting in the back yard enjoying each other's

company. You were always there when I needed you Even when I lost my baby you were there, We lost touch for a while but the memories we had will always & forever be in my heart. I thank you for being the best God-mother. God put you in my life for a reason. Now it's time not for good-bye but I'll see you later, it's time for you to rest now, time for you to be with Darryl & Gregory.I love you I will miss youUntil we met againYour God-Daughter Yvette

Dorothy, You were like a second mother to Sylvia and myself. You were my mother best friend. There for the birth of myself and my sister, there for all the wedding and graduations. Never an event in Chicago, when we did see your smiling face. You have join Moma (Stine) as you called her, now Sylvia and I have two mothers watching over us.Rest in peace all my love. Cookie was one of her names. Dot I am going to miss you something terrible. You are sweet, loving and everyone just loved you. I know you were missing family so much and you were lonely. I know they all greeted you at the gates and were so happy to see you. I am always going to cherish our time together and will be seeing you in my dreams. Fly on angel. I love you.
