Wow. Sir T's, I cannot describe the hurt and the pain that my heart feels rite now. You at are at peace and this I know. You are in Paradise with Mama Yvonne, Bootsie and Claudette and this I know. Since you passed away I have been selfish, crying to God almost non stop on some days. But now I realize that I would never want you to suffer here or anywhere for that matter. You were what a lot of people never get and that's a genuine person that loves you sincerely. So I will not be selfish. I thank you Lord for giving me Kirman for the years he shared him with me. It was a honor and a true blessing to be loved by you. Rest up King, Love always, Kay Kay & Chiko\*Typo on first post(Bootsie) Auntie
