**Cherise** lit a candle in honor of ETHELENE.

Effie was like a second Mama to me. She was always so down to earth and chill. Whenever I visited it was like I was a part of the fam. I will remember fondly us watching court tv and mystery shows when I came to visit her and Mina. Her laughter was so contagious. To be absent in the body is to be present with God. I'm glad she's at peace up there kicking it with JC, but she will be very much missed.— Mina, love you girl. I know you miss and will your Mom like no one else. Take your time to grieve and rest. But know that you are loved and supported.—To the Hudson and extended family, Know that you all our in our thoughts and prayers. Cherise and the Thomas Family
