I remember meeting you when you worked with my daughter's father, you came over just about everyday after your route. Shortly after, Trinity was born a few weeks before my daughter Etrinity was born and it seemed like we were all family every since. I miss your funny sense of humor. Prayers to your family especially Destiny and Trinity.

Cousin you were a gentle giant who I will miss dearly. I remember when your mom brought you home from the hospital. I also remember French braiding your hair when you were a child. I always admired the love you had for your daughters. I am very comforted knowing that you were a positive soul who shared yourself with others and uplifted. I'm going to miss your jokes, quick wit and beautiful smile. Rest well cousin.
