I worked with Willie for 17 years at the DCC. He was part friend, part protector, part father and part adviser. He looked out for all of us, always there with a quick smile, laugh and encouraging word. Willie knew everything that was happening at work, sometimes it seemed he knew it before I did, and he usually had the right information! His spirit lifted us and he was loved by everyone. I would ask him for advice the same way I would ask my dad because I know Willie wouldn't steer me wrong. He was direct, kind and always helpful. We miss him but still feel his presence and encouragement. Sending prayers and much sympathy to his family and friends - I know his larger than life personality will be greatly missed. I worked with Willie for years at DCC. He was our great protector. Every morning I would stop and talk with him, give him a big hug. He was always on the ball when we called him for help. I miss you Willie. God bless you and keep you in his arms.
