My heart goes out to you and your family. I didn't know much about you only that you were my father and you loved to sing. There's so much I wish could have happened for us as father and son but it was not in God's plan. I didn't think your death would affect me but I was wrong. There are so many wishes that will never come to the light but that is ok. I hope you didn't suffer in your passing and I wanted you to know that I did love you and nothing has ever been your fault in my life I still pray for you and always will. R.I.P rest easy.

Earth has no sorrow that the Lord won't heal. My dear cousin 'Speedy' has been summoned to eternity. In a time such as this, I know that God will see us through family. For even in pain, grief and despair, he has each of us within his loving care. 🙏 Praying for the strength of our family! Min. James & Lynn Goodson
