Take me to the rock that is higher than I ,when my soul is overwhelmed. Ericka "Cookie" will always have a special place in our hearts. When my husband mother died and the obituaries were not good. I went to Ericka with a short notice and not only did she make sure they were beautiful,she came (without being asked)to the funeral with extra obituaries to make sure we had enough copies. This is only one example of the excellent spirit that was within Ericka, she consoled me when my sister passed and all her labor has not been in vain, her life has touched many. She will be forever etched in the hearts of the Patterson's and countless others. Well done my good and faithful servant! You are truly one of a kind!!!!Kathy (Mills) Patterson
