My sincere prayers and condolences to Elder Williams, Kim Reggie, Paula and grandchildren in the transition of your loved one Sis Beverly. She differently was an example of a Godly woman always showing herself friendly to whoever she met always encouraging others, her smile was just enough for me she always asked my son how is your mother doing even when I moved to another state. Whenever she saw me at the Holy convocations she would say hey pretty lady she will be missed. Precious in the sight of the Lord is the death of his saints. Rest on Sis Beverly it is well with her soul I will see you in that great getting morning fair thee well fair thee well. Evangelist JoAnn House Collins Arizona

One of the most fondest memories I can share about Evangelist Williams, was how she spoke to me prophetically that I was blessed with the Gift of Exhortation and encouragement (Romans 12:7-8). She spoke specifically and profoundly about what this gift was and how it will impact who I am and where the Lord was taking me (roughly 3 years before my husband and I started a ministry). From that very day in 2015 until now, I am walking in that prophetic Word and anointing through the Holy Ghost. We are praying for her children, grand children, her loving husband, Elder Robert Williams, her Kingdom Int'l COGIC Church Family, our Great Lakes First Jurisdiction of Michigan family and all those who know and loved her. "And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." Revelation 14:13
