I am truly at a lost for words. I met what would become my BESTFRIEND in the 6th grade. Jakob had such a peaceful spirit yet fun, full of life and rhymes. It was a pleasure to have known you and to have learned from you. Jakob thank you so much for being a genuine friend and brother to me. You gave me a shoulder to cry on, an ear that listened, arms that protected me, someone to laugh with and someone to sing with, although you never let me shine on the album lol, I forgive you lol. Jakob I love you and appreciate you and I thank God having had you for the time I did. Til we meet again my friend. Thank you for your earthly presence 😊.

Jakob was a great person with a beautiful smile! I met him through one of his best childhood friends, Tonita, and we had so much fun together. I remember the candy he would bring me when he used to work at Hallmark and I enjoyed his love for music. Listening to his music and hearing his voice allows me to feel him in a way. Jakob's physical body is no longer but his spirit lives on and I celebrate him through the memories that I cherish. May God comfort all of us, especially his Mom, Dad, and family during this time. Blessed are those who mourn, for they shall be comforted. - Matthew 5:4
