Bro. Dorsey C. Miller, Iii lit a candle in honor of BENJAMIN.

My condolences to the entire Dirden family. I met Ben when we were both undergraduates serving on the Undergraduate/Intermediate Council of the Omega Psi Phi Fraternity back in the late 90's. Even at that early stage of his fraternal life, Ben was already exhibiting signs of great leadership and maturity, which is why he was elected as an Undergraduate Representative to our Supreme Council. We didn't get to see each other as often as I would have liked over the years, but our bond of brotherhood and friendship has always been, and will always be, near and dear to my heart. Rest in peace my good brother.

To God Be the Glory!

My condolences and prayers for this brother and his family. I met Benjamin in July 2022 at the Omega Conclave meeting in Charlotte, NC. He gave me a ride to the convention hall from the Sheraton Hotel because I was waiting on the shuttle bus. As fate would have it, we knew someone in common and that made the ride over even better. When I received the call from the bruh we knew in common about his passing it floored me. May he rest in eternal peace and I am glad that our paths crossed in this lifetime. 🙏
