Louversa was such a beautiful human being. I enjoyed talking with her when I worked with her. Sharing stories about our families. Going to her with work related issues. She touched many peoples lives in a profound way. More than I think she realized. Deepest condolences to her loved ones.

Louversa and I worked together for many years. We would laugh and talk the day away. She would tell me about her big beautiful family she was so close to. I miss her alot.
