I will miss Ruby visiting with me at the front desk at Town Village Retirement Community. She was such a beautiful, kind and caring woman who shared so much of herself with us - she was much loved!! We shared so many laughs and she always had something to say and was very much her own person. She loved her family and always mentioned how good her life has been and how blessed she was through the years. Her spiritual nature was shared and she ministered to many here. She illuminated our lives and we are better people for having known Ruby. I miss her as I always looked forward to seeing her smile at the desk and the glint in her eyes. I know she is in heaven with the ones she loved. Rest in peace, my friend. You will forever be in our hearts.

I have known Ruby as a resident of Town Village, Sterling Heights. She has been loved by all who knew her here. She was faithful in attending our Saturday Bible study and will be greatly missed.
