I can't count the times Mike and my husband and I sat around the kitchen table drinking coffee, good memories. PEACE. Margeree jefferson

Gary Andersen posted:

After 20+ years of handling our landscaping and snow removal needs, Mike was like a member of our family. He watched the children and grandchildren grow up and always had kind words for them...while laughingly retrieving their lost wiffle balls from the shrubs and gutters. Mike loved his profession, and always presented an upbeat and optimistic outlook on life. I can't count the number of times he ended a conversation with a smile and saying "If that's all we have to worry about, we'll be just fine." A sad ending for such a kind and wonderful man. Mike will be missed, but not forgotten. The Gary Andersen family.

Marcia Rice lit a candle in honor of MICHAEL.

Mike will be deeply missed. He was a loyal and great friend to me and my family. Most importantly as my landscaper for over 16 years he was dedicated, dependable, and trustworthy. He will be unreplaceable.
