The loving Grandmother of a most beloved student, Savonte Biddle, who stole my heart at Oakwood Middle School. Savonte invited me to many family events over the years and I came to know his lovely Grandmother, as she always extended her warm heart to me! Sending much Love Prayers and Blessings to all who knew and loved her... most especially to my dear Savonte. I love you ❤️

My condolences to Debra's family especially her twin (whom she often boasted about). In the many years I worked with Debra she always showed that she had a good heart. I send my sympathy.
